5•	The plane trip from Seymchan to Magadan took one hour and 25 minutes.				
6.	Seymchan was the headquarters for supplying food, clothing, and machinery to the whole Kolyma area.				
7•	There was at least one cassiterite mine in Staryy Kanon, the working of which was to be intensified when the Lazo mine was exhausted.				
8.	Prisoners being sent to the Kolyma area in 1949 embarked for Magadan from Vanino. In 1950, prisoners entering the Kolyma area embarked from Makhodka, and in 1953 prisoners leaving the area were sent back to				
	Wakhodka. Vanino had become a military town and prisoners were no longer taken there.	25 X 1
